Games.

PROFILE

Passionate and motivated student developer with expertise in multiple programming languages, web frameworks, cloud computing services, networking, and developer operations. Strengths focus around leadership, critical thinking, and ability to work with others. Additional experience as a lifeguard.

EMPLOYMENT HISTORY

Lifeguard at Deerfield Park District, Deerfield IL
June 2019 — August 2019

EDUCATION

Deerfield High School, Deerfield IL
August 2017 — Present

COURSES

CS 331: Data Structures and Algorithms, Illinois Institute of Technology
February 2020 — May 2020

EXTRA-CURRICULAR ACTIVITIES

Coding for a Cause, Cofounder, President
August 2020 — Present

7hr/week

Club that I founded at my High School that makes free websites for local businesses and non-profits. This club accepts students with no prior knowledge and teaches them how to code for the first semester of school. Some of the languages and frameworks we teach are: HTML, CSS, JavaScript, Python, Nodejs, Express, MongoDB, Django, and Vue.

Model United Nations, Captain
September 2018 — Present

6hr/week | 26 weeks/year

Simulation of United Nations committees. Competes with other teams around the Midwest region. As captain I organize team activities each week to prepare students for committee. Such activities include simulated committee sessions, PowerPoint presentations on parliamentary procedure, teaching how to draft resolution papers, and offering general assistance to other members. I've been in past committees such as the Paris Climate Accords as Iraq, the UN General Assembly as Morocco, the UN General Assembly as South Africa, and represented Calico Jack for the Unification of the Caribbean in 1718.

Volleyball, Varsity Member
March 2016 — Present

6 hr/week | 30 weeks/year

Playing outside hitter on Varsity for two years. I Designed volleyball program's logo that was branded on practice shirts, masks, etc. Awarded most improved for 2020 summer camp.

The Flipside / The Lantern, Editor-In-Cheif

August 2018 — Present

4hr/week | 36 weeks/year

Unofficial school newspaper. Brings light to current issues through satirical commentary. When we were in-person, we handed out issues every other Friday for students to read. One of the most well regarded clubs at my high school by other students.

DECA, Member

December 2019 — March 2020

1hr/week | 8 weeks/year

Competitive business simulations where one must work with a partner to find a resolution to a customer's grievance. Students are given 20-30 minutes to read the the current situation and prepare their presentation to a judge. Placed first place on the test and 3rd place in role play for travel in hospitality at DECA regional.

Israel Club, Board Member

November 2018 — May 2019

3hr/week | 12 weeks/year

Organizes school events related to Israeli news and culture. Brought in guest speakers, prepared Israeli food, advertised the clubs through school bulletins, and taking pictures of events.

Easy Hoops

September 2018 — January 2019

2hr/week | 10 weeks/year

Helping kids with special needs play basketball. Volunteer program that I got connected to through camp.

Basketball

November 2015 — January 2018

10hr/week | 20 weeks

Played on my high school's basketball team. Also played travel basketball during 7th, 8th, and 9th grade.
